Summer Sundays at St. Mark's

On the Sunday mornings during the summer holiday period, we will as usual, have more family friendly Services, that hopefully will have something that will appeal to younger ones and those not as young as they once were! The headline topic for the mornings will be **Heroes & Heroines (faith in action)** with a different hero or heroine each week, illustrating something of how God impacted on their lives.

In the four evening Services in August after the Iona Service at the end of July, we will look at a different aspect of **The Nature of God** using a different psalm each week. The material to be used will follow, that of the Lent Services in March 2016, amended with respect to liturgy, music and personal input. These evenings will include a short talk or meditation of approx 10 minutes and will be an opportunity to *'Be still and know that He is Lord'*.

Parking on Pink Paving

More of the broken/damaged paving flags were replaced last week. You are reminded that vehicles are not to be brought onto the pink paving, the flags are not suitable for vehicles which results in them being continually damaged. The broken flags present a serious hazard not only for the those using the building but anyone walking across the area, particularly older members of the congregation/community.
